Additional Advising Notes:

Permanent permission to enroll in upper division courses requires a meeting with your academic advisor and 3.0 average in the following courses: CDIS 312, CDIS 322, CDIS 392, and CDIS 394.

STAT 154 also completes goal area 2, SOC 202 recommended between the 2 courses.

Students must take a total of 12 credits (at least one) in each of following areas: Statistics, Biology, Physical Science, and Psychology/Sociology.

Meet with your advisor to determine major restricted electives and clinical practicum experiences.

All students will have a mandatory initial advising meeting with the dept. chair when starting their studies with Communication Sciences and Disorders.
