* NOTE: This rotation will encompass the university's Labor Day holiday. The athletic training student (ATS) will not be required to complete clinical experiences during this holiday; however, the ATS may choose to continue with his or her clinical experience (or with another clinical experience if approved by the ACI for the specific experience). Any ATS who volunteers for extra clinical experiences is still subject to select ATEP policies (see the ATEP Program Director or Clinical Coordinator).

** NOTE: The second rotation is separated into two 5-week periods. The first 5-week period ends the Saturday before the beginning of semester final exams. The first 5-week period also encompasses the university's Thanksgiving Day holiday. During the Thanksgiving Day holiday, the semester final exams and the Winter Break, the ATS will not be required to complete clinical experiences; however, the ATS may choose to continue with his or her clinical experience (or with another clinical experience if approved by the ACI for the specific experience). Any ATS who volunteers for extra clinical experiences is still subject to select ATEP policies (see the ATEP Program Director or Clinical Coordinator).

† NOTE: This rotation will encompass the university's Spring Break. This rotation also ends the Saturday before the beginning of the semester final exams. During the Spring Break and the semester final exams, the ATS will not be required to complete clinical experiences; however, the ATS may choose to continue with his or her clinical experience (or with another clinical experience if approved by the ACI for the specific experience). Any ATS who volunteers for extra clinical experiences is still subject to select ATEP policies (see the ATEP Program Director or Clinical Coordinator).
