A member of the Minnesota State Colleges & Universities System.
Minnesota State Mankato is an Affirmative Action/Equal Opportunity University. A member of the Minnesota State Colleges & Universities System.
This document is available in alternative format to individuals with disabilities by calling the Department of Family Consumer Science at 507-389-2421 (V), 800-627-3529 or 711 (MRS/TTY). FCS0088R-6-15
The Department of Family Consumer Science promotes the health and well-being of individuals and families in today’s society by combining science with professionalism and integrity. Our students are trained in an environment that fosters the integration of knowledge into practice with a focus on positively impacting the quality of life for the people they serve.

Family Consumer Science Education is one of four major options in the department.

THE DEGREE
You’ll earn a Bachelor of Science Teaching degree with an option in Family Consumer Science Education. Family Consumer Science Education is a broad major; a minor is not required.

THE FCS EDUCATION OPTION
Our comprehensive program combines a broad background in all areas of Family Consumer Sciences with a focus on the art and science of teaching. It prepares students to pursue careers within Family Consumer Science Education as well as related careers.

Possible Careers
- Family Consumer Science Teacher (grades 5-12)
- Family Consumer Science Curriculum Developer
- FCS Education Related:
  — Community Education Instructor
  — Extension Educator
  — Community Program Director
  — Social Agency Advocate
  — Non-profit Program Director
  — Entrepreneur
