CAMP SILVER-TONGUE!

ADVANCING COMMUNICATION

For Children Who Stutter

Join Us for an Unforgettable **Camp Experience!**

Camp Silver-Tongue! supports elementary school-age children who stutter through a fun and enriching camp adventure. Our mission is to create a safe and supportive environment where children can build friendships, gain confidence, and embrace their unique voices.

What We Offer:

- Six camp sessions with engaging and collaborative social games, including board games, crafts, and large motor activities. We also provide healthy snacks and drinks.
- Experienced student clinicians from MSU-Mankato's Communication Sciences and Disorders program guide activities.
- During camp activities, practical application of Cognitive Behavior Therapy (CBT) strategies, Solution-Focused Brief Therapy (SFBT), and traditional stuttering treatment addresses communication skills, selfexpression, positive self-perception, attitudes, and resilience.

Camp Silver-Tongue! will run in June from 8:00 am to 12:00 pm on the following days:

- Friday, June 14 •
- Monday, June 17
- Wednesday, June 19 (*Camp and Campus CLOSED* for Juneteenth Holiday)
- Friday, June 21
- Monday, June 24
- Wednesday, June 26
- Friday, June 28

Location

Center for Communication Sciences and Disorders, 150 So. Road, Mankato, MN 56001

Who can attend? *Elementary school-age children who stutter*

Does my child need a diagnosis? Yes, we do require a stuttering diagnosis.
