

Admission

Admission Requirements for the Exercise Science Undergraduate Major

Application deadline is October 1 for Spring, 2016 admission.

Application for the Exercise Science Program can be found on the homepage for undergraduate exercise science program. All Exercise Science majors and potential Exercise Science majors who plan on applying to the Exercise Science program need to have Exercise Science as their *declared* major. If you need, please the department office at HC 1400.

Criteria Considered for Admission to the Exercise Science Undergraduate Program

1. Completion of at least 32 semester credits.
2. Minimum career grade point average (GPA) of a 2.75 on a 4.0 scale.
3. Minimum grade of a C in the following course:
 - o BIOL 330 Human Physiology.

Please note: Meeting these minimum requirements does not guarantee admission to the major.

From all eligible applicants, students will be admitted on the basis of their rank order on the criterion of cumulative GPA and their GPA in BIOL 220; CHEM 111 or CHEM 201; BIOL 330.

Admission Procedure

1. You must first apply to Minnesota State University, Mankato. For information on applying to the university please contact the Office of Admissions at 1-800-722-0544 (ext. 1). You can also apply online at <http://www.mnsu.edu/admissions/>.
2. If you are a transfer student you will need to contact all post-secondary institutions attended and request that official transcripts are sent to Minnesota State University, Mankato Office of Admissions. Once they have a completed application from you they will forward these to the Office of the Registrar where they will be evaluated. After they have finished this process you will receive a Transfer Course Conversion form in the mail. You will need this to apply to Exercise Science.

Please note: The transfer evaluation process can take 4-6 weeks to complete. Please request transcripts be sent earlier in order to allow sufficient time to complete this step.

3. Each applicant must submit a properly completed application by October 1 for spring semester admission or by March 1 for fall semester admission online. See the exercise science homepage.
