Further your education by earning a Bachelor of Science Degree with a major in Nursing at Minnesota State University, Mankato. This 30 credit online nursing completion program is designed for licensed registered nurses with an Associate Degree. Requirements for application include admission to the University, minimum 2.8 cumulative GPA and the prerequisite of a college-level statistics course.

To earn a Bachelor of Science Degree from MSU, all graduates must fulfill the University’s General Education, Diverse Cultures and Writing Intensive requirements; in addition to the 30 Nursing credits. Priority acceptance into the RN Completion Program is granted to students who have already completed these University requirements. It is in your best interest to be working on this coursework before making application.

Following the guidelines below, you can complete MSU’s General Education, Diverse Cultures, Writing Intensive and Statistics requirement at Inver Hills before even transferring!

### General Education:

- **Transfer students with Associate Nursing Degrees must fulfill all 3 requirements for Gen Eds:**
  1. 40 Credits overall in Goal Areas 1-10
  2. A minimum of 1 course in each of Goals 3-10
  3. 1 course in each part of Goal Area 1 (1 written & 1 verbal communication course)

- As members of the MnSCU system, both MSU and Inver Hills have the same 1-10 Goal Areas. According to state policy, whatever Goal Area a course is placed into at Inver Hills, must be the same Goal Area MSU will place it into after transfer. Select your Inver Hills Community College courses by following the 3 requirements above and your General Eds will be completed for MSU!
