Additional Advising Notes:

Admissions Requirements: Refer to Academic Catalog; Major Unrestricted Electives may not be double-counted for courses required in the Emphasis, refer to the catalog for a full list

-Deadlines for applications are Oct. 1st and March 1st, refer to department website for application

`HLTH 210 is not required but can be used to obtain First Aid & CPR certification (certification itself is required). Counts as Major Unrestricted Elective

~SOC 101 is not required of the major but most graduate programs require it for admittance

*Course not required of major but can help complete requirements and is required of many graduate programs

-PHYS 101 is not a major requirement but is a prerequisite for PHYS 211 if high school physics has not been completed.
