

AGING IN RURAL AMERICA: FOCUS ON SOCIAL WELL-BEING AND MENTAL HEALTH

Wednesday /// April 16th
11:30am – 1:30pm

Historic Masonic Hall
309 South 2nd Street
Mankato, MN 56001

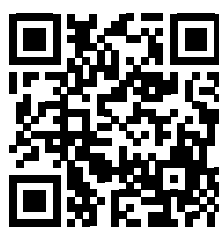

This lecture will provide background on the current state of aging in rural America, including how rural areas differ from urban areas in terms of demographics, economics, health, and healthcare access in ways that impact older adults. Following that background, this lecture will provide information on the social well-being and mental health of older adults in rural America and promising avenues for supporting rural older adults' social, emotional, and mental health within rural areas.

Featuring Speaker
Carrie Henning-Smith,
