The college/university is requesting you to provide information which includes in part, potentially private and/or confidential information under state law. This college/university is requesting this information in order to accurately process your application.

You are not legally required to provide the information the college/university is requesting; however, the college/university may not be able to effectively process your application if you do not provide sufficient information. With some exceptions, unless you consent to further release of private information, access to this information will be limited to school officials, including faculty who have legitimate educational interests in the information. Under certain circumstances, federal and state laws authorize release of private information without your consent for the following conditions:

- To other schools in which you seek or intend to enroll, or are enrolled, if you are first notified of the release
- To federal, state, or local officials for purposes of program compliance, audit or evaluation
- As appropriate in connection with your application for, or receipt of, financial aid
- To your parents, if your parents claim you as a dependent student for tax purposes
- If the information is sought with subpoena, court order, or otherwise permitted by other state or federal law
- To an institution engaged in educational research or accrediting agency

Minnesota State Colleges and Universities abide by the provisions of Title IX, federal legislation forbidding discrimination on the basis of sex and by all other federal and state laws regarding equal opportunity. This document can be made available in alternate formats, such as large print or audio tape, upon request.

The curriculum in this document is subject to change without notice.

*Applications due on January 15<sup>th</sup> by 5:00pm*
