## ESG ACHIEVEMENTS

ESG has worked with many partners over the years. Partnering with Partners for Affordable Housing, ESG has helped them in their efforts to reach their organizational mission. With the Salvation Army, ESG has donated goods to help with their Bundle Me Warm program. Collaborating with Habitat for Humanity, ESG has helped out with various events the organization has put on throughout the year. ESG has also helped with funds to send a child to the Special Olympics. Just last year, at ESG's Big Event, they donated funds to a local nonprofit. With the YWCA this year, ESG is volunteering to be coaches for the Girls on the Run program. ESG is also volunteering at the Mankato Marathon and Rake the Town.

### 1. Can I still be a member if I can't make meetings?

Yes! Excused absences are allowed (includes: class, family emergency, personal emergency, sick). Otherwise, meetings are mandatory and if you have 2 unexcused absences you will no longer be apart of ESG. Just let a board member know if you have an excused absence.

### 2. Can I still be a member if I can't make it to the [required] initiation ceremony for new members?

Initiation is a mandatory requirement and if you cannot make it you will not be able to continue in ESG. However, exceptions can be made depending on your situation. Please talk to a board member.

### 3. What if my GPA isn't at 2.5 or above? Can I still join ESG?

It depends. We honor our codes but exceptions can be made depending on your situation. Please come talk to a board member.
