Networking Discussion Questions

How can we empower individuals to take an active role in their own health and well-being?

How can healthcare providers and community organizations collaborate to address social determinants of health and improve community well-being?

How can we ensure that the voices of marginalized communities are heard and their needs are addressed in our efforts to create healthier communities?

Thank you to the following organizations for providing information at this event!

- Center for Rural Behavioral Health
- Center for Communication Sciences & Disorders
- Dental Hygiene Clinic
- Glen Taylor Nursing Institute for Family and Society
- Rec N' Read
