

# Equivalent Courses in MinnState

How to search & register for equivalent courses

All of the 37 Minnesota public colleges and universities are part of a larger system called Minnesota State, or MinnState. This system enables students to search and register for a course equivalent to one offered by Minnesota State Mankato.

**STEP 1:** Login to E-Services account and search for the desired course. Select All Courses to display.

The screenshot shows the 'Course Search' interface. At the top, there are three tabs: 'Course Search' (active), 'Course Equivalents', and 'Non-Credit/Continuing Ed'. Below the tabs, the word 'Search' is displayed in red, followed by 'Required field' in red. The search form includes several fields: 'College/University' (Minnesota State University, Mankato), 'Campus' (Minnesota State University, Mankato), '\*Semester' (Spring 2017 (Jan - May)), 'Subject' (PSYCHOLOGY (PSYC)), and 'Course Number' (101). There is also a 'Course ID #' field with an example '004390'. Below these fields, there are three radio buttons for 'Display': 'Open + Waitlist Eligible Courses', 'Open Courses Only', and 'All Courses'. The 'All Courses' radio button is selected and highlighted with a red arrow. At the bottom, there are two buttons: 'Search >' and 'Clear'. A link 'Expand/Collapse for Advanced Search' is also visible.

**STEP 2:** To find an equivalent course, click any of the magnifying glass icons.

This will automatically trigger the system to display all equivalent courses being offered through any of the MinnState schools for your desired term.

**STEP 3:** From the Course Equivalents list, students may choose to filter the available course options by selecting a specific delivery method in the drop down menu.

For example, by selecting the **Online (web only)** delivery method, only the course equivalents available in an online format will display.

**Course Equivalents**

Course Equivalents for PSYC 101 at Minnesota State University, Mankato in Spring 2017 (Jan - May)

While all courses listed as equivalents below are transferable, they are not necessarily equivalent in both directions. The courses below transfer TO the college or university shown above. To see how courses from your home college or university transfer to other participating colleges or universities, you can search [Transferology](#).

If you are enrolling in the equivalent course in order to fulfill a program/major requirement, it is best to check with your academic advisor to ensure that the equivalent course will meet the requirements of your particular major.

<< first   < prev   **1**   next >   last >>   Showing courses 1 - 2 of 2   50 per page

**STEP 6:** Make sure your Registration is successful.

Once registered, review the information in the yellow box regarding payment and make arrangements to pay for this course by the deadline, or your course will be dropped. Payments should be made directly to this college/university under the Bills and Payment tab using a credit/debit card or setting up a payment plan.

The screenshot shows the student portal for Central Lakes College. The header includes the CLC logo and 'CENTRAL LAKES COLLEGE'. A 'Logout' link is in the top right. The left sidebar lists various services, with 'Bills and Payment' highlighted by a red arrow. The main content area is titled 'Registration Results for Central Lakes College, Fall 2015:'. Below this, a 'Credit Courses' section shows a 'Registration Successful' message circled in red. A table lists the registered course: ID # 000559, Subj PSYC, Sec 2431, Title Human Development, Dates 08/24 - 12/18, Days n/a, Time na - na, Crds 3.0, Grade Method Normal, Instructor Pikula, Karen, and Delivery Method Completely Online-Asynchronous. Below the table, there are links for 'View/Modify Schedule' and 'Visit Bills and Payment to arrange payment.'. A yellow box contains a warning: 'Your REGISTRATION may be CANCELLED if payment requirements have not been met by the published due date. Please go to your college or university website at http://www.clcmn.edu/businessoffice/ for more information about your financial obligations. You will become obligated for all unpaid balances relating to courses for which you have registered AT ANY MNSCU COLLEGE OR UNIVERSITY (even if you are not actually attending the classes at that school) unless you drop/withdraw from ALL your classes within the withdrawal period defined in Board Policy 5.12. You will be BILLED for any unpaid balances unless you take these actions. Read summary of related Board policy.' Below this, a note for international students states: 'International Students: full-time enrollment is required for you to maintain your F-1 immigration status. Failure to enroll full-time may affect your ability to remain in the United States.'

**\*If you were unable to register, there are two possible reasons:**

1. Your Registration Window at this school is closed. Please check for the specific date and time (Registration Window) you may begin registering in the side panel or call their Registration Office for assistance.
2. This course may require a pre-requisite. Read the course description to determine if you have met the pre-req. If you have, you will need to call this schools Registration Office and ask for a pre-req override. Each school handles these differently and may require you to submit a transcript for review, or speak to the course instructor.

**STEP 7:** If you utilize any Grants or Loans through Financial Aid, you will need to submit an electronic [Consortium Agreement Form](#).

All Financial Aid is awarded based upon the total number of credits a student is registered for at their home school; which is Mankato State. However, you want Financial Aid to also count the credits you are taking at this other school. For this reason, you will need to complete a [Consortium Agreement Form](#) by following the steps:

- 1) Register for all of your courses
- 2) Login to the [Consortium Agreement Form](#) with your StarID and password.
- 3) Fill out all the necessary information, sign and click Submit.

The electronic form will be routed to the Student Relations Coordinator and the Registrar's Office for their approvals, but Financial Aid provides the final approval and will process the request and notify the student of the outcome.

If approved, the students Financial Aid is then based upon the TOTAL amount of credits they are enrolled through all schools.

Financial Aid will not be disbursed until after the course begins, which is after the tuition deadline. Please make sure you have paid for the course in a timely manner.

**STEP 8:** Begin the course!

You will have access to this course in your Mankato State D2L account once the instructor activates the course at the start of the semester.

**STEP 9:** Upon completing the course, contact the Office of the Registrar to request an updated transcript. They will assist you by electronically transferring-in the course to Mankato State.

You may send this request to <https://onestop.mnsu.edu/app/registrar> Include your StarID and the school you completed the course through.
