

Shady Trails Memories 1980's

Primarily from the Bentley Library in
Ann Arbor, MI duplicated here with
permission

Important Notice

Most of the pictures in this PowerPoint are from two boxes of materials housed in the Bentley Library in Ann Arbor, Michigan. I was given permission to create a PowerPoint presentation to show at the Shady Trails 2014 reunion, but the PPT or individual pictures that came from the library were not to be reproduced elsewhere without getting permission in writing for each picture from the Bentley Library. The campers at the reunion signed a petition requesting that all the pictures could be placed online, and gratefully, **12 separate PPTs of pictures from the 1930's-1990's were added to the Shady Trails website**

(www.mnsu.edu/comdis/kuster/shadytrails.html)

with permission in writing from the Bentley Library. This PPT is copyrighted and may be viewed on the website, but pictures or the entire PPT may not be downloaded or reproduced in any way without permission of the Bentley Library. (Judy Kuster)

Tom and Judy Kuster worked in the Bentley Library in Ann Arbor, Michigan, carefully photographing materials in two boxes. Some photographs in this PPT were also supplied by former campers.
